6	Paediatrics	SNCU Training
7	Gynaecology & Obstetrics	Follow up of emergency cases of Gynae & obstetrics
8	Gynaecology & Obstetrics	Follow up of emergency cases of Gynae & obstetrics
9	Medicine	Emergency Medicine
10	Surgery	observation of different types of wound
11	Radiology	USG, X-ray & CT Scan
12	Radiology	USG, X-ray & CT Scan
13	Skin & VD	Clinical Dermatology
14	Orthopaedics	Diagnosis & initial management of orthopaedics trauma
15	Surgery	observation of different types of wound
16	Medicine	ICU
17	Surgery	learning of suture technique
18	Gynaecology & Obstetrics	Follow up of emergency cases of Gynae & obstetrics
19	Paediatrics	SNCU Training
20	Psychiatry	Deaddiction psychiatry
21	Paediatrics	SNCU Training
22	Radiology	USG, X-ray & CT Scan
23	Radiology	USG, X-ray & CT Scan
24	ENT	Training in endoscopy in Ear, Nose, Throat
25	Paediatrics	SNCU Training
26	Orthopaedics	Spinal Injuries
27	Surgery	learning of suture technique
28	ENT	Training in endoscopy in Ear, Nose, Throat
29	Radiology	USG, X-ray & CT Scan
30	Anaesthesia	Emergency management in polytrauma cases
31	Psychiatry	General Psychiatry
32	Paediatrics	o2 therapy in paediatrics
33	Surgery	learning of suture technique
34	Paediatrics	o2 therapy in paediatrics

35	Skin & VD	Clinical Dermatology
36	Paediatrics	Tips for virtual monitoring in paediatrics
37	Respiratory Medicine	Observation of MDR-TB
38	Medicine	ICU
39	Medicine	Emergency Medicine
40	Respiratory Medicine	Observation of MDR-TB
41	Surgery	learning of suture technique
42	Anaesthesia	Airway management
43	Psychiatry	General Psychiatry
46	Gynaecology & Obstetrics	Follow up of emergency cases of Gynae & obstetrics
47	Paediatrics	o2 therapy in paediatrics
48	Skin & VD	Clinical Dermatology
49	Surgery	learning of suture technique
50	Surgery	observation of different types of wound
51	Paediatrics	SNCU Training
52	ENT	Training in endoscopy in Ear, Nose, Throat
53	Medicine	Emergency Medicine
54	Medicine	ICU
55	Gynaecology & Obstetrics	Follow up of emergency cases of Gynae & obstetrics
56	Gynaecology & Obstetrics	Follow up of emergency cases of Gynae & obstetrics
57	Gynaecology & Obstetrics	Follow up of emergency cases of Gynae & obstetrics
58	Medicine	Emergency Medicine
59	Ophthalmology	Ocular Diagnostics : A third Eye
60	Respiratory Medicine	Observation of MDR-TB
61	Skin & VD	Clinical Dermatology
62	Medicine	ICU
63	Pathology	Histopathology
64	PSM	Basic data analysis and statistical methods
65	Biochemistry	Thyroid function test
66	Biochemistry	Thyroid function test
67	FMT	Certification & Injury report
68	FMT	Certification & Injury report
69	FMT	Certification & Injury report
70	FMT	Certification & Injury report
72	PSM	Basic data analysis and statistical methods
73	FMT	Practical aspects in courts, age estimation and consent
74	PSM	Basic data analysis and statistical methods
75	PSM	Basic data analysis and statistical methods
76	Pharmacology	Pharmacovigilance
77	FMT	Certification & Injury report
78	Physiology	Role of Yoga and meditation for healthy lifestyle
79	Biochemistry	Thyroid function test
80	PSM	Basic data analysis and statistical methods
81	Physiology	Role of Yoga and meditation for healthy lifestyle
82	Pharmacology	Pharmacovigilance
83	Pharmacology	Pharmacovigilance
84	Biochemistry	Thyroid function test
85	FMT	Practical aspects in courts, age estimation and consent
86	FMT	Practical aspects in courts, age estimation and consent
87	Anatomy	Medical Genetics

88	Physiology	Role of Yoga and meditation for healthy lifestyle
89	Pharmacology	Pharmacovigilance
90	Anatomy	Medical Genetics
91	Pharmacology	Pharmacovigilance
92	Pharmacology	Pharmacovigilance
93	PSM	Basic data analysis and statistical methods
94	Biochemistry	Thyroid function test
95	FMT	Certification & Injury report
96	Pharmacology	Pharmacovigilance
99	FMT	Practical aspects in courts, age estimation and consent
100	FMT	Certification & Injury report
101	FMT	Certification & Injury report
102	PSM	Basic data analysis and statistical methods
103	Pathology	Histopathology
104	Microbiology	Gram's Stain
105	Pharmacology	Pharmacovigilance
106	FMT	Collection and preservation of Viscera, blood, urine, vomitus, suspected stains and foreign hair
107	Biochemistry	Thyroid function test
108	Microbiology	Sample collection
109	Physiology	Role of Yoga and meditation for healthy lifestyle
110	Microbiology	Sample collection
111	Biochemistry	Thyroid function test
112	Biochemistry	Thyroid function test
113	Pharmacology	Pharmacovigilance
114	FMT	Practical aspects in courts, age estimation and consent
115	PSM	Basic data analysis and statistical methods
117	PSM	Basic data analysis and statistical methods
118	Microbiology	Sample collection
119	Pharmacology	Pharmacovigilance
120	Biochemistry	Thyroid function test
121	FMT	Certification & Injury report
122	FMT	Certification & Injury report
123	FMT	Practical aspects in courts, age estimation and consent
124	FMT	Collection and preservation of Viscera, blood, urine, vomitus, suspected stains and foreign hair
125	Biochemistry	Thyroid function test
