2nd reminder

Respected Sir / Madam,

We are seeking nominations for at least one Associate Professor and one Professor from each department in your esteemed college to serve as Assessors. The nominated assessors will be expected to travel anytime in the month of December to February at a 48-hour notice.

Their involvement will play a pivotal in supporting the National Medical Commission during the forthcoming assessment of Medical Colleges. Hence, we request the college to be flexible in ensuring the availability of these assessors in the next few months.

Colleges are requested to nominate the requisite assessors by 29th November 2023. Please access the following link to submit your nominations:

Your cooperation in facilitating this nomination process is immensely valued.

Following the completion of nominations, a separate email communication will be sent to the nominated assessors, to provide further information pertaining to their professional background and educational qualifications. The Nominated Assessor will be trained on the best practices to be used while conducting the assessment.

Thank you for your attention to this matter.

Thanking you,

With Warm Regards,
